Important information:

This application form and the other documents relating to rights issue described above do not constitute an offer to sell or a solicitation of an offer to buy or subscribe for the securities or the subscription rights of the Company in any jurisdiction where such offer would be illegal. No action has been taken, or will be taken, to permit an offer to be made to the public in any jurisdiction other than Sweden, Denmark and Finland. Apart from described below, the offer is not being made, and will not be made, directly or indirectly, to persons located, residing or organised in the United States, Canada, Australia, Japan, South Africa, Hong Kong, Singapore, New Zealand or in any other jurisdiction (each, a "Restricted Jurisdiction") where such offer would be illegal or would require registrations, qualifications or actions other than those required under Swedish law. Accordingly, this application form, the rights issue documents and the information contained therein are not being, and must not be, taken, sent, transmitted or distributed into or within any Restricted Jurisdiction. In any EEA Member State other than Sweden, Denmark and Finland, this application form is only addressed to and is only directed at qualified investors in that Member State within the meaning of Regulation (EU) 2017/1129 (the "Prospectus Regulation"), i.e., only to investors who can receive the application form without an approved prospectus in such EEA Member State.

This application form is only being distributed to and is only directed at persons in the United Kingdom that are (i) investment professionals falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the "Order") or (ii) high net worth entities, and other persons to whom this application form may lawfully be distributed, falling within Article 49(2)(a) to (d) of the Order (all such persons together being referred to as "Relevant Persons"). This application form must not be acted on or relied on by persons who are not Relevant Persons. Any investment or investment activity to which this application form relates is available only to Relevant Persons and will be engaged in only with Relevant Persons. Persons distributing this application form must satisfy themselves that it is lawful to do so.

The securities have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the "Securities Act"), or with any other securities regulatory authority in any state or jurisdiction of the United States, and may not be offered, sold, resold, transferred, delivered or distributed, directly or indirectly, in, into or within the United States, except in a transaction not subject to, or pursuant to an exemption from, the registration requirements of the Securities Act. There will be no offer of the securities to the public or others in the United States.

Any subscription or purchase in violation of the above restrictions will be considered invalid.

Carnegie handles administrative information in the offer. Carnegie's receipt and handling of acceptance forms does not lead to a customer relationship between the participant in the offer and Carnegie. This means among other things that neither a so called customer categorisation nor a so called suitability assessment will be made regarding the offer, therefore Carnegie cannot assess whether acquirers belong to the target group for the financial instrument.
